

2x4x16
Quik-Brik® Veneer
(for adhered use in lightweight)

8x4x16 L-Corner
Quik-Brik® Veneer
(for adhered use in lightweight)

4x4x16 Solid
Quik-Brik® Veneer
(for anchored use)

4x4x16 Standard
Quik-Brik®
(for anchored use)

NOTE: Quik-Brik are blended color products. As such, individual units will range from solid, single color to completely random blends of the base colors.

It is highly recommended to draw units from multiple pallets simultaneously to assure a good mix of colors in the wall field, and to avoid large areas of the same color.

Cells and web configurations as shown are representational only, and actual configurations may differ.

Features

Quik-Brik® offers the rich look of brick in the durable practicality of concrete masonry, and is the only product of its kind with a standardized, national color palette.

Nominal 2-inch thick veneer units in a lightweight mix can be used in adhered veneer applications. Nominal 4-inch thick units require anchored veneer installations.

Availability

Special order only. Available in eight color blends. Visit Colors & Textures at www.AngelusBlock.com.

Standards

Concrete masonry units manufactured by Angelus Block Co., Inc. meet ASTM C90 Standard Specification for Loadbearing Concrete Masonry Units.

Sustainable Features

- This product is included in Type III Environmental Product Declarations for Angelus Block Concrete Masonry Units, specific to location and mix designs, and in one of six *Health Product Declarations*, as applicable for its weight classification.
- Contributes to green rating systems calculations, including Regional Materials, EPDs, and Material Ingredient Reporting.
- Angelus Block CMU help facilitate and support many more strategies and credits, including Optimize Energy Performance, Construction Waste Management, and several within Indoor Environmental Quality. Angelus Block CMU contain no VOCs.

See *Sustainable Design & Angelus Block Products* for detailed information. A copy is available from your representative, or as a download at www.AngelusBlock.com.

- Quik-Brik as manufactured by Angelus Block is a CarbonKind product:

This is a low impact CarbonKind™ product which substantially reduces CO₂e. Learn more at AngelusBlock/CarbonKind.
