

# **Colors & Textures**

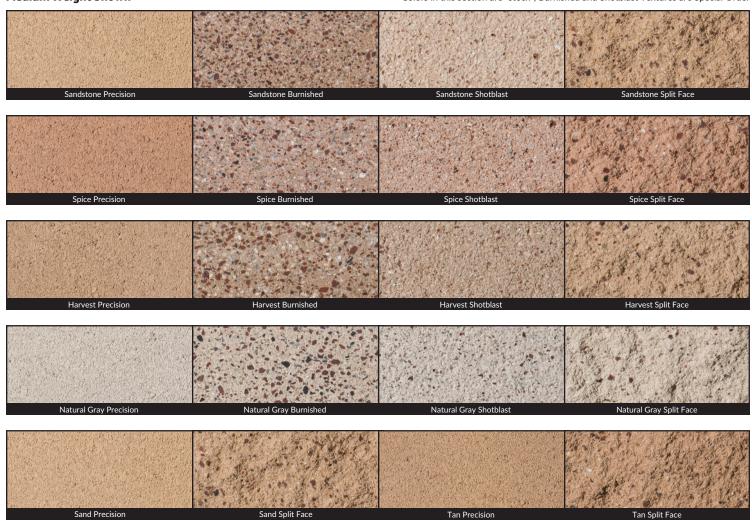

### **Stock & Special Order**

All color swatches are represented as accurately as possible but are subject of variation in print production, and, therefore, are representative only. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. A color may not be available from all locations. Availability of colors or textures as "stock" or "special order" are subject to change without notice.

#### Stock Colors

**Medium Weight Shown** 

Colors in this section are "stock"; Burnished and Shotblast Textures are Special Order

### Stock Slumpstone™ Colors

All color images are intended to be representative only. Colors as shown are subject to media variation in reproduction. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. A color may not be available from all locations. Availability of colors or textures as "stock" or "special order" is subject to change without notice.

Angelus Block recommends final color selections based on physical samples.

We have many other tools available to facilitate designing with color and texture, including digital hi-res swatches, and images for modeling.

Please contact your Angelus representative for assistance, samples, and design tools.
